## 10 POINT PLAN TO GUN VIOLENCE PREVENTION

1. Treat Gun Violence as a health epidemic.
2. Influence others that Violence is not the answer to solve conflicts.
3. Educate our community with conflict resolution, and de-escalation skills.
4. Break the cycle of violence by offering alternatives to improve our quality-of-life issues.
5. Support athletics and other cultural activities that provide enrichment for our young people.
6. Foster educational and mentoring programs that encourage self-esteem and to value human lives.
7. Partner with schools to develop educational programs focused on violence prevention and self-awareness.
8. Utilize the collection of violent incident data to help plan strategies that are culturally aligned within our communities.
9. Connect at risk community members with appropriate services that provide social, emotional, and mental health support.
10. Collaborate outreach approaches with local and federal government agencies, private businesses, faith-based groups, and non-profit organizations.

In 2019 Randall Donovan, along with his brother, Randolph Donovan formed Eccentric Mocko Encounters. We have since incorporated, Eccentric Mocko Jumbies, Inc., the Territory's new generation of culture bearers. Our program endeavors to not only maintain the cultural art form of stilt walking that has been a part of our diverse Virgin Islands community for decades but to teach this art to future generations of Virgin Islanders. We are a registered non-profit organization who uses innovative, creative, and diverse methods to impart the art to our youth members. Our ultimate mission is to provide enjoyable and effective year-round education, training, and discipline in the art of stilt walking in a safe and harmonious environment that promotes confidence, strong character and teamwork skills for the optimal mocko jumbie experience.

The St. Thomas Junior AllStars Steel Orchestra, a subsidiary of St. Thomas AllStars, was born out of a group of individuals with a true passion for music under the direction of Mr. Kareem "Archie" Forbes.

Established in 2012, Junior All Stars was developed as an avenue for our youths to share in the preservation and enhancement of this unique art form in the Virgin Islands community while they are attending school maintaining a 3.0 gpa. Currently the band has 30 members with 20 ranging in ages from 12 to 18.

For more information visit us on Facebook at St. Thomas Junior Allstars Steel Orchestra  
Website: [www.stthomasallstars.com](http://www.stthomasallstars.com) . New Recruitment begins in January 2023
